

# Merry Christmas

As this is our last newsletter of 2016, we would like to take the opportunity to thank you for your continued support and to wish you a very Merry Christmas and a Happy New Year. We will be open as normal until 22nd December then closed until 29th December. There is always a dentist on call for emergencies over the festive period so if you have any problems just call the practice (01273 711999) and you will hear a recorded message on instructions how to get in touch with the on-call dentist.

## News from Duke Street's Staff

- Nicole our hygienist had a baby girl named Martha back in the Summer. We look forward to welcoming Nicole back to Duke Street sometime in 2017.
- Correen Cooper joined us back in July as a dental nurse. Correen relocated to Brighton from Oxford and has 16 year dental nursing experience.
- Marie Hobden joined us in September as our new Practice Manager. Marie can be your first point of contact in the event of any compliments, comments or complaints.
- Sadly we say goodbye to our receptionist Victoria in the New Year. Victoria has chosen to give more time to her wedding cake business. [www.victoriamade.com](http://www.victoriamade.com)
- Zoe our receptionist will be travelling to India for a month in January.
- Ali our dental nurse will be getting married in the Summer of 2017.
- Conor Simpkins has started working on reception on a Saturday morning

- Dave had his 5 minutes of fame this year on BBC Radio Sussex chatting about Flossing!
- Hygiene appointment availability has increased from 2 days a week to 4.5 days a week (Tuesday to Saturday)

**Struggling to find time to visit us at Duke Street?** A reminder that we are open every Saturday morning and have late night appointments every Wednesday.

### **Keeping connected, why do we use social media?**

Whether online or at the practice, we want to make it easy for you to connect with us and vice versa. We value open and honest communication and the trust this brings. It's great to talk with you when you attend your appointments but often we only see you once or twice a year so we use other methods of communication such as this newsletter and social media to keep in touch between your visits. We like to keep you up-to-date with what's happening at the practice and let you know about special offers and treatments that might benefit you. We also like to share useful oral health news and information including advice to help you keep your teeth and gums healthy and your smile looking its best.
