We are settled into 2012 now - we hope you all are too - it's going to be a great year!

Our website has had a slight makeover and now has updated photos of the whole team. You may notice that some of the prices have been altered also. The dental examination prices remain the same. You can keep up to date with all of our latest news and updates via the newsletter link on our site:

So this month is THE month to have your teeth at their cleanest and your oral hygiene in tip-top condition. Valentines Day is fast approaching and you'll want to be completely kissable...

Don't forget Feb 2012 is a leap year so any ladies wanting to propose, now is your chance!
(please keep us informed of any engagements... we love to hear your news!)

To get yourself ready to go, why not book a hygiene appointment with Nicole? She'll leave your teeth and mouth feeling super clean and fresh so you'll be ready for that all important date.....

Charity Mission

A couple of our lovely patients; Sue and Bernard Wyld are going on to Uganda, they are in touch with a charity who are currently trying to set up their own outreach dental projects in the remote towns and schools in Uganda. They will be visiting the charity '*Helping Uganda Smile*' We have donated some items for Sue and Bernard to give to this worthy cause; they have an ongoing dental research program and go into schools to help educate the children on dental care and provide treatment that they would not otherwise receive. For more information you can log on to www.mwenya-uganda.org we will also have an update in next month's news letter and some pictures of the trip

FEBRUARY 2012

Issue #6

Team News

Our receptionist, Amy made a crazy decision last year to run the Brighton Marathon.. she started training in January "the latest I could leave it before fear of not finishing kicked in" we have all spurred her on to train..... we'll keep you updated on her progress..

Aideen and David are taking a very well deserved holiday this month, they will be skiing (no rest for the wicked!) for a week from Mon 20th Feb to Sat 25th Feb'12. Nicole will be in during this week on Tue, Wed and Sat for Hygiene Treatments. If you have an emergency during this time the practice will still be open for advice.

We have some free samples of toothpaste in the practice, feel free to pop in and say hi and grab one or you can log on to <http://www.supersavvyme.co.uk/oralb/> to request a sample to be sent directly to you.

Love is in the air....show us some love,
like and follow us on.....
